

## Mean It

Gracie Abrams

Talk to me more  
You're a little bit bored, I'm a little bit tired  
We don't fight though  
You've been acting so cold, I don't know what you wanted

Every time we touch it's like the last time  
Holding onto something when it's not right  
Tell me to my face that you are all mine  
You don't know what I'm feeling

Maybe that thing you said under your breath, you mean it  
Holding on to thin lines till we just walk between them  
Getting so loud, I can't pretend that I don't hear them  
Maybe that thing you said under your breath, you mean it  
I know you mean it

Do we let go?  
Are we too far gone? I don't know what we started  
I guess I don't know  
Where we took a wrong turn, everything got harder

Every time we touch it's like the last time  
Holding onto something when it's not right  
Tell me to my face that you are all mine  
You don't know what I'm feeling

Maybe that thing you said under your breath, you mean it  
Holding on to thin lines till we just walk between them  
Getting so loud, I can't pretend that I don't hear them  
Maybe that thing you said under your breath, you mean it

I know you mean it  
I know you mean it  
I know you mean it  
I know you mean it
