The Bottom

Gracie Abrams

I told you I was down bad
You hate to see my like that
I don't know how you look passed
My stupid fucking setbacks

When you opened up the door
You let me in when you should have your guard up
What a painful back and forth
Oh

It's hard to ignore all of my problems
Gonna regret being too honest
Calling it love but this isn't falling
I'm gonna drag you right down to the bottom

'Cause I'm no good
You could do better
You should walk out
It's now or never
I took the most that you could offer
I'm gonna drag you right down to the bottom

I told you I was down bad
You could never fix that
I'm happier when I'm sad
So leave and never come back

When you opened up the door
You let me in when you should have your guard up
What a painful back and forth
Oh

It's hard to ignore all of my problems
Gonna regret being too honest
Calling it love but this isn't falling
I'm gonna drag you right down to the bottom

'Cause I'm no good
You could do better
You should walk out
It's now or never
I took the most that you could offer
I'm gonna drag you right down to the bottom

Watch me drag you down
No saving you now
Watch me drag you down
There's no getting out
Watch me drag you down
No saving you now
Watch me drag you down

It's hard to ignore all of my problems
Gonna regret being too honest
Calling it love but this isn't falling
I'm gonna drag you right down to the bottom

```
'Cause I'm no good
You could do better
You should walk out
It's now or never
I took the most that you could offer
I'm gonna drag you right down to the bottom
```

```
'Cause I'm no good
You could do better
You should walk out
It's now or never
I took the most that you could offer
I'm gonna drag you right down to the bottom
```
