

# All My Biggest Problems

Grady

I never was scared of the dark  
I only freak when it's 7 in the morning and I'm still not in bed  
I've got two friends that keep me up  
I wonder all the time if Tim's some kind of vampire  
That just hasn't bit me yet

Happiness is calling  
I put my phone on "don't disturb" when I fall asleep  
And all my biggest problems are always just one deep breath from obsolete

I guess it's just me growing up  
But I miss the kid I was when Coldwater was nothing but a thought in my head  
It's been two canyons since the jump  
I'm learning how to find my footing but doing better

Happiness is calling  
I put my phone on don't disturb when I fall asleep  
And all my biggest problems are always just one deep breath from obsolete
