

## Best Friend

Grady

I'm getting married to my best friend  
I haven't even told my mom yet  
I know she'll have so many questions  
But I don't care cause I'm in love

She's my favorite thing that I've ever seen  
The one that's brought to life my dreams  
I get to marry my best friend this week

There's no doubt, my girl's my Gwen Stefani  
I slept on couches, my pockets had no money  
But my now house has got enough room for her dog

There's too much love to measure and not an ounce of hesitation  
I didn't know this feeling was real until my baby  
She wraps her arms around me and I'm already gone

Oh love is easy  
Oh loving her is fun  
My diamond ring is shining in the sun

I'm getting married to my best friend  
I haven't even told my mom yet  
I know she'll have so many questions  
But I don't care cause I'm in love

"How's that for a happy ending?"

"Well Grady, I can confidently say I've never seen the studio t  
his alive."

"Yeah, I'm not surprised."

"And congratulations!"

"Yeah, thank you."

"Is there anything you'd like to say before signing off?"

"Mmmm nope, hold on I gotta take this. Hey mom, I know this is  
crazy..."

"Okay well in that case, to all our listeners, what a ride it's  
been. One last time, until next time, thank you for joining us  
under The Love Umbrella..."
