Grady

Birthday is two weeks away, but she still brought out the cake
I know life is a prize, I try to limit complaints
In the land of the snakes, my momma taught me wrong from right
She said she loves my eyes and every freckle on my face

This is what love feels like, ooh, what love feels like, I'm su

Even when this all is over, this is a place we can always go
When you're not at home, when you're missing home
Come on home
Dad is proud of what I'm doing and the man I might become
Looking 'round like, damn, where'd it go?
I still feel so young

Ooh (That's it? That's it? That's it?)

Ooh [?]

Ooh (I'm just excited for whatever's next)
