

## Garden

Grady

(This just feels so good, just like a nice breeze)

Chilling in the garden  
Rosé in the roses  
Summer said it started  
Tatted me up now I'm golden

Clink a glass, and it match the frames  
Na na na na, na na na na  
Don't be upset if I forget your name  
Na na na na, na na na na  
I'm bad with dates and I'm worse with days  
But I'm pretty sure it's May  
Always just assuming that it's Saturday  
Yeah

Chilling in the garden  
Rosé in the roses  
Na na na na, na na na na  
Summer said it started  
Tatted me up now I'm golden  
Na na na na, na na  
Yeah

Chilling in the garden  
Rosé in the roses  
Na na na na, na na na na  
And all of this bringing me back  
Na na, na, na na

We accept the love we think that we deserve  
Don't be surprised when people wanna keep the world  
Walls are painted up with flowers, see the perks  
Every girl wishes they were another girl  
But you like you, and so does everybody else  
And aren't they right to?  
Trying to keep my cool, you melted all the ice cubes  
I can't help calling you pretty, put a Polaroid inside my pocket so y  
ou're with me

Chilling in the garden  
Rosé in the roses  
Na na na na, na na na na  
Summer said it started  
Tatted me up now I'm golden  
Na na na na, na na  
Yeah  
Chilling in the garden  
Sipping rosé in the roses  
Na na na na, na na na na  
And all of this bringing me back
