

Jake's Interlude

Grady

Am I crazy? Am I crazy or is she into me dude I feel like...

Come on, baby

Do you like me?

Do you like the way that I'm nicely coming onto you?

Do you know, you know that it's true, yeah?

Come on, baby (Come on, baby)

I love Grady (I love Grady)

Got him playing (With my lady)

Every day, yeah

Come on, baby

Tell me differently

Do you see me (Do you see me?)

The way I wanna see me?
