

## party tricks

Grady

Oooo when you showed up, boy, I was lifted off a shroom  
But I sobered up soon as you walked into the room  
Felt as long as the Mississippi missing you  
But I ain't ever forget the smell of your perfume

You gotta tell me what's next  
I got no party tricks left  
You put this skip in my step  
(Now we could) karaoke in Little Tokyo  
Ima be your Romeo  
No more breaks, I hope you know

That I'm all in  
Yeah I'm all in  
Fuck it, I'm all in

(Did you) get the help that you needed?  
(You were) gone way more than a weekend  
(And I) gave you way too many reasons  
To never speak to me again  
And I might piss you off the most but name someone you like more  
Come paint my nails in the party wearing a blindfold  
Throw your heels over my head because I'm head over heels in my  
feels  
For you I'm all in
