

Puppy

Grady

Say you love me
But you don't really love me
Be a homie and come give me some company
I'm a dog but you treat me a puppy
Put your arms on me
Make me feel lucky

Say you love me
But you don't really love me
Be a homie and come give me some company
I'm a dog but you treat me a puppy
Put your arms on me
Make me feel lucky

Grady in your ears
Hey, what's up
Baby just arrived
Hey, what's up
Looking at the stars
Hey, what's up
Baby's not mine so she's riding like it's stolen
Magic's got time slipping through my fingers slowly
I fail, but try always living in the moment
I won't ask why or where you're ever going
I'm not too controlling (oh yeah)
I'm just going through the motions (oh)
I made friends with my emotions (oh)
If I screen you I'm not ghosting (no no)
I'm no Casper
I'm no...

Say you love me
But you don't really love me
Be a homie and come give me some company
I'm a dog but you treat me a puppy
Put your arms on me
Make me feel lucky

Say you love me
But you don't really love me
Be a homie and come give me some company
I'm a dog but you treat me a puppy
Put your arms on me
Make me feel lucky
