My jeans they've got some tears  
Mom says to be more careful  
Those jeans were not prepared  
We fell and scraped out elbows

Sports teams, dad wished I cared  
I picked flowers and counted petals  
Four leaves, think you could share?  
Some luck would be so helpful

Mm-mm, mm-mm, mm-mm, mm  
Mm-mm, mm-mm, mm-mm, mm

Let's mutilate our brains  
Spend nights getting a fixin'  
Sex scenes and video games  
I don't really know that position

Grands don't improve migraines  
But love comes without conditions  
My crush recalled my name  
Believe that someone listens

Mm-mm, mm-mm, mm-mm, mm  
Mm-mm, mm-mm, mm-mm, mm

Candles get blown away  
The appetite's expanding  
It's still no piece of cake  
Times not so good in standing

Hold you and kiss your face  
I will not let you worry  
Now all those bills are paid  
Don't grow up in a hurry
