

SO GOOD

Grady

(Fucking coyotes, I told you!)

Baby baby baby
Like you waited for
Now my heart is yours
Ahhhhh
Baby baby baby
You put me in the mood
With everything you do
Ah you make me feel so good

(So good!)
Been telling all my friends about you
(Oh you!)
Been dancing but I don't know how to
(How to!)
There's just one thing left to say now
Tell me that you feel the same

Said things I know I can't take back
But I'm way too charming to stay mad
Your sense of humor is ha ha
You're way too funny to... fake laugh
Tanning your buns oh we laid back
Have fun in the tub when we take baths
I swear I could never get enough
A good girl, but you're pretty tough
Ain't no chore for me giving love
Tried to resist but you've given up
Tried calling twice hope you're picking up

Fell for you after one conversation
All of my past relationships
Were sinking ships leading me to your island
Make me feel so good

(So good!)
Been telling all my friends about you
(Oh you!)
Been dancing but I don't know how to
(How to!)
There's just one thing left to say now
Tell me that you feel the same
Tell me that you feel the same
