

# I Go to Sleep

Graham Bonnet

When I look up from my pillow  
I dream that you are there with me.  
Though you are far away  
I know you'll always be near to me.

I go to sleep (sleep), sleep (sleep)  
and imagine that you're there with me.  
I go to sleep (sleep), (sleep)  
and imagine that you're there with me.

I look around me  
And feel you are ever so close to me.  
Each tear that flows from my eyes  
Brings back memories of you to me.

I go to sleep (sleep), sleep (sleep)  
and imagine that you're there with me.  
I go to sleep (sleep), sleep (sleep)  
and imagine that you're there with me.

I was wrong, I will cry  
I will love you to the day I die.  
You alone, you alone and no one else  
You were meant for me.

I go to sleep (sleep), sleep (sleep)  
and imagine that you're there with me.  
I go to sleep (sleep), (sleep)  
and imagine that you're there with me.

When morning comes again  
I have the loneliness you left me.  
Each day drags by until finally  
Night time descends on me.

I go to sleep (sleep), (sleep)  
and imagine that you're there with me.  
I go to sleep (sleep), to sleep (sleep)  
and imagine that you're so close to me.

I go to sleep without you beside me  
Oooh
