

# Cigarette

Graham Colton Band

You, you gotta be the one, who's in on the action  
I'm wondering when we're leaving,  
You gotta meet everyone before it's all over  
Why? They're gonna be here next weekend  
And you gotta be something else  
Cause we all got older  
You, you're gonna be someone

You make me wanna smoke a cigarette  
You make me wanna be someone else  
You make me wanna be somebody you would leave  
And I could forget

You gotta be the one to get a reaction  
I don't want anyone to see me  
And you gotta be something else  
Cause we all got older  
And you, you're gonna be someone

You make me wanna smoke a cigarette  
You make me wanna be someone else  
You make me wanna be somebody you would leave  
And I could forget  
(2x)

I'll stay  
You go  
I'm fine  
With or without you  
(2x)

You make me wanna smoke a cigarette  
You make me wanna be someone else  
You make me wanna be somebody you would leave  
And I could forget  
(2x)
