All Time Favorite

Graham Colton

I didn't see you coming
I didn't cry when you left
The lights were fading with the last song
Over and over I can't get you out of my head

When I got drunk was the first sign
And you were holding my head
Told you I loved you and passed out
Could you come over and run it again

You're my all time favorite thing I did wrong
You're my worst decision
Favorite thing I did wrong
Favorite thing I did wrong
So let's keep it going on
Let's keep it going on

I miss the nights we went out
I'd meet you back in our bed
I didn't smoke but I stood outside
Over and over I can't get you out of my head
And I got hit from the blindside
I took you out at your knees
We went to therapy one time
You said it's over but it's not for me

Cause you're my all time favorite thing I did wrong
You're my worst decision I wanna keep going on
All in baby out of control
You're my all time favorite
Favorite thing I did wrong
My Favorite thing I did wrong
Favorite thing I did wrong
So let's keep it going on
