

Cigarette

Graham Colton

You, you gotta be the one
Who's in on the action, I
I'm wondering when we're leaving
And you, you gotta meet everyone
Before it's all over. Why?
They're gonna be here next weekend

And you gotta be something else
Cause we all got older
And you, you're gonna be someone

You make me wanna smoke a cigarette
You make me wanna be someone else
You make me wanna be somebody you would leave
And I could forget

You gotta be the one
To get a reaction, I
Don't want anyone to see me

And you gotta be something else
Cause we all got older
And you, you're gonna be someone

You make me wanna smoke a cigarette
You make me wanna be someone else
You make me wanna be somebody you would leave
And I could forget

You make me wanna smoke a cigarette
You make me wanna be someone else
You make me wanna be somebody you would leave
And I could forget

I'll stay
You go
I'm fine
With or without you

I'll stay
You go
I'm fine
With or without you

Cigarette
Cigarette
Cigarette
Cigarette
Cigarette
Cigarette
Cigarette

(You make me wanna smoke a cigarette
You make me wanna be someone else
You make me wanna be somebody you would leave
And I could forget...)
