

# Helen

Graham Colton

Oh Helen  
I know this  
Is an unexpected love  
Oh Helen  
I promise  
There's nothing to be scared of

My barricades, I have built, slowly fall  
Alone, I have waited, you came along

Whatever you need from me  
I will give you (I'll give you)  
Helen, believe in me  
I'm with you (I'm with you)  
You're everything to me  
And honestly, I know  
We've just begun  
My Helen

Oh Helen  
I know you've  
Been hurt a hundred times before  
Just tell me  
And I will understand  
I will let you know for sure

But my barricades, I have built, slowly fall  
Alone, I have waited, you came along

Whatever you need from me  
I will give you (I'll give you)  
Whenever I go away  
I'll be with you (I'm with you)  
You're everything to me  
And honestly, I know  
We've just begun  
My Helen  
My Helen

Whatever you need from me  
I'll give you (I'll give you)  
Helen, believe in me  
I'm with you (I'm with you)  
You're everything to me  
And honestly, I know  
We've just begun  
My Helen  
My Helen
