

# Jennifer (Back To Oklahoma)

Graham Colton

This town wasn't big enough  
But to get out when it's getting rough  
Find somewhere you're warm at night  
But you got pulled into the riptide  
Our friends that you ain't talking to  
Been calling but they can't get through  
I see you in the neon light  
But you're caught up in the riptide

Gave it up, had enough but you want more  
Traded love but I know that you're not sure  
Jennifer, did you get what you came for?  
What you came for?

Now here you are calling it love again  
You're all-in till it ends  
God knows I tried to warn ya  
Jennifer come back to Oklahoma  
And honey I know something inside of you  
It's calling out but you can't get through  
Your smile lost in California  
Jennifer come back to Oklahoma

We were just two kids in love  
Forever wasn't long enough  
I can keep you warm at night  
But you're caught up in the riptide  
And I don't know who you're talking to  
I don't know if I'm getting through  
But I know that we still got time  
I pull you from the riptide

Gave it up (you gave it up), had enough but you want more  
(You had enough)  
Traded love (and traded loved) but I know that you're not sure  
(But you're not sure)  
Jennifer, did you get (did you get) what you came for?  
What you came for?

Now here you are calling it love again  
Waiting for your [?]  
God knows I tried to warn ya  
Jennifer come back to Oklahoma  
And Jenny I know something inside of you  
Is calling out but you can't get through  
Your smile lost in California  
Jennifer come back to Oklahoma

Jenny we can call it love again  
I can be your [?]  
You know I still adore ya  
Jennifer come back  
Jennifer come back  
Jennifer come back
