

I'm Goin' Away

Graham Coxon

I'm goin' away, just for how long I can't say
I'm goin' away, just for how long I can't say
I'm goin' away, just for how long I can't say
I'm goin' away, just where I'm going I can't say
I'm goin' away, just where I'm going I can't say
I'm goin' away, just where I'm going I can't say
I'm goin' away, just for how long I can't say
