

Meet and Drink and Pollinate

Graham Coxon

Meet and drink and pollinate, meet and drink and pollinate
Meet and drink and pollinate, meet and drink and pollinate
Wear a short black number, they can see through
A Brian Ferry style lover is making eyes at at at you
Meet and drink and pollinate, meet and drink and pollinate
Meet and drink and pollinate, meet and drink and pollinate
Working undercover in his bedroom
A dodgy mack from Anne Summers make his heart boo boo boo boom

Nothing else to to to do
Meet and drink and pollinate, meet and drink and pollinate
Meet and drink and pollinate, meet and drink and pollinate
Wear the short black number, paint the town blue
Get a short rich lover, there's nothing else to to to do

Wear the short black number, paint the town blue
A Brian Ferry style lover, is making eyes at at at you
Meet and drink and pollinate, meet and drink and pollinate
