

Vale

Graham Coxon

Won't you stay awhile?
Come sit next to me
On the silver lane
In the lost city
Feel the solar rays
Their velocity

Ba-da-daa
Drink your wine
Ba-da-daa
Take your time
Cheer on up
Cheer on up
Cheer on up

Ba-da-daa
Drink your wine
Ba-da-daa
Take your time
Cheer on up
Cheer on up
There's nothing we can do

Won't you stay awhile?
Come sit next to me
On the silver lane
In the lost city
Feel the solar rays
Their velocity

Ba-da-daa
Drink your wine
Ba-da-daa
Take your time
Cheer on up
Cheer on up
Cheer on up
