

Walking All Day

Graham Coxon

Walkin' all day with my mouth on fire, tryin' to get talkin' to
you
Walkin' all day with my mouth on fire, that's what I've gotta d
o
Tryin' to get talkin' to you
Walkin' all day with my feet on fire, tryin' to get closer to y
ou
Walkin' all day with my feet on fire, that's what I've gotta do
Tryin' to get closer to you
Walkin' all day with my mind on fire, I can't stop thinking of
you
Walkin' all day with my mind on fire, that's what I've gotta do
I can't stop thinkin' of you

Walkin' all day with my hands on fire, wanna get to touch you
Walkin' all day with my hands on fire, that's what I've gotta d
o
Wanna get to touch you
Walkin' all day with my heart on fire, falling in love with you
Walkin' all day with my heart on fire, that's what I've gotta d
o
Falling in love with you

Imagine me
Make me happy
Talk to me
It's so crappy
Ignore me
I'm being sappy, over me
What's this power?
Gonna tell you once more
