## I Got a Rock

## **Graham Nash**

I got a rock.
You got a rock.
We got a rock.
They got a rock.

I got a stick. You got a stick. We got a stick. They got a stick.

I got a gun. You got a gun. We got a gun. They got a gun.

But I got a wife.
I got a family.
I got a country.
I want a future.

I got a bomb.
You got a bomb.
We got a bomb.
They got a bomb.

But I got a wife.
I got a family.
I got a country.
I want a future.

But I got a wife.
I got a family.
I got a country.
I want a future.

But I got a wife.
I got a family.
I got a country.
I want a future.
