Stand Up

Graham Nash

Stand up for what you believe
Stand up for those you love
Stand up for what you want
Stand up for what you need

Stand up, take a stand
Lend a hand
If you can

Rise you your soul will thank you
Rise up you've got to survive
Rise up into your future
Rise up and you'll feel alive

Rise up, take a stand
Lend a hand
If you can

Wake up with your eyes wide open
Wake up to a brand new day
Wake up with your heart on fire
Wake up we'll be on our way

Wake up, take a stand
Lend a hand
If you can
