

T.V. Guide

Graham Nash

Did you ever wonder why
There are cameras in the sky?
I can see them all on high
Looking at the people

Did you ever wonder
When theyll come and take you in again?
Well, theyve been listening on your line
Looking through your TV

And the ghost of George Orwell
Is turning in his grave
Is everybody a slave?
Did you ever wonder why

There are blinders on your eyes?
But theyre a blessing in disguise
