Am am

When you walka that walk girl, into a dark bedroom

Am f g

It fills my heart up with lovin' puts sugar in my spoon oo yeah

Chorus

C c

When you do that to me, when you do that to me

C c

When you do that to me, when you do that to me

If I took a picture, tried to write a book

It was shock at the printer, never give it a second look

Repeat chorus

Bridge

Em am

I need you so bad, it feel so bad, to be be waiting for so long

Em am

You got the love could stop a truck, I can feel it, (3 more times)

Repeat chorus (var)

C c

When you do that to me, when you do that to me

F fg

When you do that do me, when you do that to me

Then c g f c gf then ooh over c g f rhen repeat chorus (var)

Verse

So let the lovingness stay there, let them let them be

You know what they say girl not just whisper and tea

Repeat chorus then ooooooh then repeat chorus with bass progression

And fade (graham yells "put sugar in my spoon) /pre>
