GRAHAM

It's gon' be alright  
We not gon' forget just who we are  
If they come for me, I'm standin' upright  
I know it's not much, but it's a start, yeah, a start

Uh, yeah, and we still gon' do this thing without the labels  
Yeah, I'd rather give my cut to the ones that's down to ride  
Yeah, and the studio's not too far from all the neighbors  
But they never did nothin', so I guess they like the vibe

And we don't got a lot to lose  
But if we do (Yeah, yeah)

It's gon' be alright  
We not gon' forget just who we are (Okay, okay)  
If they come for me, I'm standin' upright (Oh yeah, oh yeah)  
I know it's not much, but it's a start, yeah, a start

Yeah, when I got started, man, this wasn't a dream  
I had some free time, and I was makin' beats  
And, yeah, it went wild, so I had to assess, yeah  
If this is what I wanna do for the rest of my life, yeah  
I'm not sure if I can do it, but I know how to try, yeah  
I'm like, why would I not give it a try? (Yeah)

And we don't got a lot to lose  
But if we do (Yeah, yeah)

It's gon' be alright (Yeah)  
We not gon' forget just who we are (Okay, okay)  
If they come for me, I'm standin' upright (Oh yeah, oh yeah)  
I know it's not much, but it's a start, yeah, a start

It's gon' be alright (Hey, oh)  
It's gon' be alright (Oh, oh)
