

## Every Reason

GRAHAM

If you wanna run wild, run wild  
Know that I remember everything  
Oh, I don't, I don't

I don't know why you're questioning  
What happened, I saw every action  
You and all your habits  
Why shouldn't I hear it out?

'Cause I got every reason  
To call up all of your friends, tell 'em all the things you said  
Done playin' defense  
I don't gotta hold back, but you gotta hold your breath  
Going off the deep end  
I don't owe you nothin', you can call me anything  
But don't call it even, 'cause I got every reason

If you wanna tell half of a lie then it's goin' both ways  
Don't you know I got a whole case? Got a whole case  
'Cause I held my tongue while you went around throwin' shade  
A couple lines that you won't say, I know you won't say

We both know what happened  
I saw every action  
You and all your habits  
Why shouldn't I hear it out?

'Cause I got every reason  
To call up all of your friends, tell 'em all the things you said  
Done playin' defense  
I don't gotta hold back, but you gotta hold your breath  
Going off the deep end  
I don't owe you nothin', you can call me anything  
But don't call it even, 'cause I got every reason
