

got no right

GRAHAM

Yeah

There's no door that we left open
That chapter, baby, we closed it
Our story ends here (Here)
But I can't tell, what is your motive?
Can't tell if you're stayin' or goin'
'Cause every time you disappear ('Pear)

You come back like nothin' happened (Happened)

Baby, you got no right, oh-oh-oh-oh-oh
You walked out on me (You walked out on me)
And now that I'm happy (Oh-oh-oh)
You say you want back in my life, oh-oh-oh-oh-oh
It's not that easy (It's not that easy)
'Cause now that I'm happy

Baby, you have no right

Uh, lose-lose (Ooh-ooh)
Yeah, what's the use? (Ooh-ooh)
Yeah, you left your mark in the pavement
So don't you try and erase it
Yeah, my blood is boilin'
I had love, but you spoiled it
All for your entertainment
Just don't try and erase it

Don't come back like nothin' happened (Happened)

Baby, you got no right, oh-oh-oh-oh-oh
You walked out on me (You walked out on me)
And now that I'm happy (Oh-oh-oh)
You say you want back in my life, oh-oh-oh-oh-oh
It's not that easy (It's not that easy)
'Cause now that I'm happy

I'm done wit' your games
I've played, I've learned from my mistakes
If we never speak again, that's fine with me

Baby, you got no right, oh-oh-oh-oh-oh
You walked out on me (You walked out on me)
And now that I'm happy (Oh-oh-oh)
You say you want back in my life, oh-oh-oh-oh-oh
It's not that easy (It's not that easy)
'Cause now that I'm happy

Baby, you have no right
