

# HOV

GRAHAM

5 O'clock traffic, I'm movin' slow  
I'm in the right lane, that's the usual  
Time is feelin' static, it's all my fault  
'Cause when you switch lanes then you lose it all

Oh, I wish that things went a little different (Little different)  
Uh, all the small things that I didn't know I'd be missin'

I miss driving in the HOV  
Just you and me  
No hurry  
I miss dinners that we wouldn't eat  
'Cause it wasn't cheap  
No worries  
I miss all the little things that we did but didn't notice  
You never know a good thing until it's gone  
I miss driving in the HOV  
Now life moves somewhat slowly (Slowly)

I got a list of reasons  
You live forever in my head  
Remember spending weekends  
Watching whatever is playing next  
Remember winter seasons  
When you were cold and got upset  
I guess we're never even  
I said some things that I regret (Ooh)  
Embrace the time that I got used to  
A state of mind, it's no longer new  
I chased this high of getting close to you  
Of getting close to you

Oh, I wish that things went a little different (Little different)  
Uh, all the small things that I didn't know I'd be missin'

I miss driving in the HOV  
Just you and me  
No hurry  
I miss dinners that we wouldn't eat  
'Cause it wasn't cheap  
No worries  
I miss all the little things that we did but didn't notice  
You never know a good thing until it's gone  
I miss driving in the HOV  
Now life moves somewhat slowly
