

## In or Out

GRAHAM

Hey, hey, hey, let's not play these games  
If you wanna walk, then you're free to leave  
Hey, hey, hey, is it safe to say  
That you like to talk, but that talk is cheap  
Yeah, I got my doubts, doubts, doubts, doubts, doubts, doubts  
Baby, are you down, down, down, down, down, down  
Are you in or out, out, out, out, out, out  
Are you in or out, out, out, out, out, out, out, out

Out of luck  
I done saw right through that fake love  
Yeah, can't go down, gotta stay up  
You goin' say a lot of things ain't mean one  
Ain't mean none  
We don't got common ground  
But I got some common sense  
And I see where this thing ends

I don't, I don't, I don't, I don't  
I don't know where we went wrong  
You just wanna string me along  
Think I've had enough  
You don't, you don't, you don't, you don't  
You don't really care no more  
But act like it's so sure

Hey, hey, hey, let's not play these games  
If you wanna walk, then you're free to leave  
Hey, hey, hey, is it safe to say  
That you like to talk, but that talk is cheap  
Yeah, I got my doubts, doubts, doubts, doubts, doubts, doubts  
Baby, are you down, down, down, down, down, down  
Are you in or out, out, out, out, out, out  
Are you in or out, out, out, out, out, out, out, out

Stop  
It's over  
I don't wanna get no closer  
Not sure if I wanna start over  
But I been givin' too much like Oprah  
Reset, gotta get my focus  
In time, we goin' get a little closure  
But Imma pay for the fall like OSHA  
One more time

Hey, hey, hey, let's not play these games  
If you wanna walk, then you're free to leave  
Hey, hey, hey, is it safe to say  
That you like to talk, but that talk is cheap  
Yeah, I got my doubts, doubts, doubts, doubts, doubts, doubts  
Baby, are you down, down, down, down, down, down  
Are you in or out, out, out, out, out, out  
Are you in or out, out, out, out, out, out, out, out
