GRAHAM

Yeah (Huh), yeah (Yeah, uh-huh, yeah)  
(Alright, okay) Ah, yeah, yeah (Okay)  
Hey, hey (Okay), come on

I'm like, baby (Yeah), you got me feelin' free (Okay)  
Said the flight delayed, but I don't gotta hurry  
I'm waiting (Yeah), a little time to breathe (Uh-huh)  
Just to let 'em on your time (Your time)

'Cause the money in the bank ain't the one to make you feel at  
home, yeah, oh no (Oh no, no)  
Yeah, and that 24K ain't the real thing, fool's gold, yeah

I'm with the Honda, I don't need a Maserati  
Baby, wanna kick it like a Roddy  
Money on the line, but the only one on my mind is the one on the passenger side  
Think I hit the lottery  
If I said it then you know that it's concrete  
Mortifying, it don't matter how many times I try  
I hit the lotto every single time

Yeah, they said I'ma get a ticket even if I'm not rollin'  
Ayy, hey, hey, hey (If I'm not rollin')  
Ditch that, I'ma tip a twenty 'cause I know somebody want it  
Ayy, hey, hey, hey (Know somebody want it, yeah)

'Cause the money in the bank ain't the one to make you feel at  
home, yeah, oh no (Oh no, no)  
Yeah, and that 24K ain't the real thing, fool's gold, yeah
