

## once in a while

GRAHAM

Too close that I climb  
Sorry, I know that I'm out of line  
Might lost myself in Tennessee (In Tennessee)  
I've been out of sight and out of mind  
Set my eyes on the dollar signs, yeah  
I'm not too proud of my tendencies (My tendencies, oh)

I could probably blame it on my growin' up (Growin' up)  
Yeah, if I'm bein' honest, I ain't grown enough (Grown enough)  
You got every right to raise your tone at me  
'Cause if I was half the person I should be

I'd call home every once in a while  
Tell my mama that I miss her smile  
Stop stayin' out, night's just a little too late (Woah)  
Ooh-ooh, I know I'm changin'  
Ooh-ooh, but please don't blame me  
When I finally wake up and realize I'm alone  
Then maybe I'd call home (Oh-oh-oh)

Two alarms that I miss, I'm so sick of sleepin' in  
Don't know why I waste my days away (My days away)  
My phone, can't turn it off, I should probably talk to God  
If He could even hear me anyway (Hear me anyway, oh-oh)

I could probably blame it on my growin' up (Growin' up)  
Yeah, if I'm bein' honest, I ain't grown enough (Grown enough)  
You got every right to raise your tone at me  
'Cause if I was half the person I should be

I'd call home every once in a while  
Tell my mama that I miss her smile  
Stop stayin' out, night's just a little too late (Woah)  
Ooh-ooh, I know I'm changin'  
Ooh-ooh, but please don't blame me  
When I finally wake up and realize I'm alone  
Then maybe I'd call home

Maybe I'd call home (Oh-oh-oh-oh)  
Maybe I'd call home (Oh-oh-oh-oh)  
Maybe I'd call home (Oh-oh-oh-oh)

'Cause I'd call home every once in a while  
Tell my mama that I miss her smile
