GRAHAM

Hearts made of stone  
Paper bones, we won't last  
Scars, I got a few  
Showed them all to you  
But we moved too fast

I'm one step from the ledge, I can't believe you left  
After everything you said, do you still feel regret?  
'Cause (Oh-oh-oh-oh-oh)

You told me fears for every tear that I would wipe away  
You told me we could make it last, was that forever-ever  
You told me secrets that I keep until my dying day  
You told me I was made for you, do you remember-member?

So immature, never sure  
But you say it's for the best

Now I'm one step from the ledge, I can't believe you left  
After everything you said, do you still feel regret?  
'Cause (Oh-oh-oh-oh-oh)

You told me fears for every tear that I would wipe away  
You told me we could make it last, was that forever-ever  
You told me secrets that I keep until my dying day  
You told me I was made for you, do you remember-member? (Remember-member)

And you told me that you needed this, I can see the clips  
We were chest-to-chest, feel your heart beatin' quick  
How'd I let you slip through my fingertips?  
I will never understand  
And you told me that you needed this, I can see the clips  
We were chest-to-chest, feel your heart beatin' quick  
How'd I let you slip through my fingertips?  
I will never understand  
And you told me that you needed this, I can see the clips (And I won't forget you)  
We were chest-to-  
chest, feel your heart beatin' quick (Feel like I'll never be the same)  
How'd I let you slip through my fingertips? (Never forget you)  
I will never understand
