

Selfish Or Selfless

GRAHAM

What's the balance of getting what I want
And giving what you need
'Cause I know you deserve way better
Was living my own life
In times when you feel weak
I guess we can work together

'Cause
Two selfless people makes one feel selfish
'Cause when you want to help me
I feel like a burden
You don't want to tell me
'Cause you know I worry
Like is that being selfish
Or is that being selfless

Oh, oh, oh, oh
Oh, oh, oh, oh

Yeah 'cause I want what you want
More than what I thought I wanted
And if you needing something
Then you know I am already coming
Don't talk about feeling bad
When you need me to get it
Just tell me you love me back
On one condition

What's the balance of getting what I want
And giving what you need
'Cause I know you deserve way better
'Cause I was living my own life
In times when you feel weak
I guess we can work together
