

# Stranger

GRAHAM

I fell for an angel, it was fatal  
Will I ever get back up? Don't think I'm able  
It was betrayal, and it was painful  
One day, you know somebody  
Next, they are the stranger, the stranger

Yeah, last night I said some things I shouldn't have said (No)  
I jumped in too quick (Quick)  
I might've skipped some steps (Yeah, yeah)  
I told myself I'd never settle for less (No)  
But I went way too big (Quick)  
I felt that in my chest (Yeah, yeah)

Yeah, I got a lot to lose (Lose)  
Maybe you don't (Don't)  
Uh, I know if it's not you (You)  
I don't know where to go (Go)  
Uh, I'm bringin' all I could bring (Yeah)  
I'm goin' for broke (Broke)  
Uh, I'm holdin' on hope (Hope), yeah

I fell for an angel, it was fatal  
Will I ever get back up? Don't think I'm able  
It was betrayal, and it was painful  
One day, you know somebody  
Next, they are the stranger, the stranger

Yeah, yeah, I'm missin', I'm missin', I'm missin' your love  
Throwback photos, I'm diggin' 'em up  
Lost myself, I lost control  
Been so low, I've been so numb  
Ever since we called it done  
Can't remember where I'm from  
Part of you left with part of my soul  
I'm tryna get that back in one, hey

Yeah, I got a lot to lose (Lose)  
Maybe you don't (Don't)  
Uh, I know if it's not you (You)  
I don't know where to go (Go)  
Uh, I'm bringin' all I could bring (Yeah)  
I'm goin' for broke (Broke)  
Uh, I'm holdin' on hope (Hope), yeah

I fell for an angel (Okay), it was fatal (Fatal)  
Will I ever get back up? Don't think I'm able (Uh-uh)  
It was betrayal (Yeah), and it was painful (Uh)  
One day, you know somebody  
Next, they are the stranger, the stranger
