

# take it for granted

GRAHAM

One, two, three

Follow my heart, I don't even know what to say (Oh)  
But a shot in the dark's better than the one you don't take (Ye  
ah)  
I'm not perfect, every day I make another dumb mistake  
(Oh yeah yeah yeah)  
But not a single one made when I started to walk your way (Oh)

If you're down, let's get down  
Got my eyes on the here and now (Yeah)

I won't take it for granted  
'Cause what are the chances I could be with somebody like you (Oh)  
If tomorrow you up and vanish, I'll deal with the damage  
It's okay 'cause I always knew

Any moment I could lose you  
(Oh yeah yeah yeah  
Oh yeah)

You can have all my time, 'cause time with you's not wasted  
It's gonna be all alright, yeah  
I'm riding with you for life, it's up to you whether you take it  
But know that I'm by your side, yeah

If you're down, let's get down  
Got my eyes on the here and now (Yeah)

I won't take it for granted  
'Cause what are the chances I could be with somebody like you (Oh)  
If tomorrow you up and vanish, I'll deal with the damage  
It's okay 'cause I always knew

Any moment I could lose you  
(Oh yeah yeah yeah  
Oh yeah)
