

# Too Fly

GRAHAM

Yeah, how you look so perfect, not on purpose?  
Brand new dress like Sunday service  
Too fly, baby, you're too fly, maybe you're too  
Yeah, the way she walked in held me hostage  
Work of art like Jackson Pollock  
Too fly, baby, you're too fly, maybe you're too

Uh, I'm in my Sunday best (Yeah)  
She gon' put somethin' on that nobody forgets  
Ah man, I'm tryna put her to the test  
I don't know the next step, but I might as well guess  
Ah man, I don't need a lot, I just want a shot (Shot)  
I'm not one for love, but I know the odds (Odds)  
Uh, I don't ever stop 'til the brakes lock (Lock)  
'Til the brakes lock (Yeah), uh

When you stepped into the room  
I didn't know what to do  
Ayy, I'm tryna get time, yeah  
If I ever had you  
Then I'd be scared I'ma lose  
I'm tryna look right into those eyes

Yeah, you make good look too easy (Oh)  
If I'm bein' honest, she don't even need me (She don't need me)  
Yeah, head over heels, I'm knee deep (Uh)  
And sometimes I wonder if she even see me  
If I'm bein' honest, I know you got options  
Yeah, I just wanted it to be me (Be me)  
Uh, I wanted it to be me

When you stepped into the room  
I didn't know what to do
