

Wait My Turn

GRAHAM

I don't relate, to songs about heart break
And my friends who caught relations is off
I know I'm late, to jumping into datin'
But lately I think it's paying off

They said you need practice
To chase what's attractive
But why build if it's gonna fall
Your heart gets attached to
The ones that don't last
So I waited to give you my all

I only needed one chance, 'cause I knew
That the right one would always emerge
And if it's God's plan, that I have you
Then I guess I that I'll wait for my turn
So I sold on my heart, gave you up from the start
What you have is all that I have
When I say that I love you, you know that it's just you
The only one who's heard me say that I...

It took me twenty years to find the one I need right here
But I don't feel like time has been lost
I saw it all so clear that I'm supposed to be right here
Give everything no matter the cost

You took my heart captive the first time this happened
I'll be there whenever you fall
Oh, I wasn't passive but no one could mesh this
Another chance and I'd do it all

I only needed one chance, 'cause I knew
That the right one would always emerge
And if it's God's plan, that I have you
Then I guess I that I'll wait for my turn
So I sold on my heart, gave you up from the start
What you have is all that I have
When I say that I love you, you know that it's just you
The only one who's heard me say that
