

Wasted Time

GRAHAM

Oh-oh

Remember late nights calls by the TV
I'm quick to say my fault if it's easy, no (Oh-oh)
Lookin' back, yeah, I see it all now
Remember late night thoughts, would you leave me?
I gave my all to the things that you needed, yeah (Oh-oh)
I won't regret, even if we fall down

No, it's not wasted time (Oh, no it's not)
No, it's not wasted time (Oh, no it's not)
(Oh-oh)
No, it's not wasted time (Oh, no it's not)
No, it's not wasted time

No, it's not wasted time, if we livin'
No, let's not waste my time, not a minute (Oh-oh)
Even if it don't pan out, can't forget it
Even if it all falls down (If it all falls down)
'Cause you
Show me everythin' that I need to know about my self
And you
Show me what I need, even if that means someone else

Remember late nights calls by the TV
I'm quick to say my fault if it's easy, no (Oh-oh)
Lookin' back, yeah, I see it all now
Remember late night thoughts, would you leave me?
I gave my all to the things that you needed, yeah (Oh-oh)
I won't regret, even if we fall down

No, it's not wasted time (Oh, no it's not)
No, it's not wasted time (Oh, no it's not)
(Oh-oh)
No, it's not wasted time (Oh, no it's not)
No, it's not wasted time
No, it's not wasted time (Wasted time)
(Oh, no it's not)
No, it's not wasted time (Wasted time)
(Oh, no it's not)
