

# worth the wait

GRAHAM

Yeah, let's go

Two years gone that'll never make a difference  
I stay strong, no chance I'm cavin'  
You know I'm stayin' (Oh-oh)  
You're what I want, I could never forget it  
Days get long, no chance I'm breakin'  
You know what I'm sayin'

You're worth the wait (Wait)  
I'm runnin' back home  
From the moment you say my name (Name)  
I would pick up for you baby  
Any night and day (Day)  
Know you gotta leave  
But you never gotta doubt I'll wait (Wait)  
I'll wait (Wait)

Ooh-ooh  
Ooh-ooh-ooh-ooh-ooh, ooh  
Ooh-ooh-ooh, ooh

I see stars in the dark, they're alignin', oh  
I see scars on your heart that you're hidin', oh-oh  
You never gotta go alone, oh-oh  
Yeah, let the cards play  
I don't have an issue  
I'd say, "I'd be better with you"  
Not enough to say, "I miss you", oh-oh

Two years gone that'll never make a difference  
I stayed strong, no chance I'm cavin'  
You know I'm stayin'

You're worth the wait (Wait)  
I'm runnin' back home  
From the moment you say my name (Name)  
I would pick up for you baby  
Any night and day (Day)  
Know you gotta leave  
But you never gotta doubt I'll wait (Wait)  
I'll wait (Wait)

Ooh-ooh  
Ooh-ooh-ooh-ooh-ooh, ooh  
Ooh-ooh-ooh, ooh
