

## Wrong

GRAHAM

Done chasing everything this world has to offer  
I put aside the one I found and I lost her  
Cause you were the one that I needed  
If I call your name would you hear it?

I wish I gave you a better me  
Cause you deserve what I'll never be  
I come to terms with the fact that I'm a memory  
Cause I'm not the one

I wish I was wrong, wrong  
Cause me being right means it's obvious we don't belong

I got mistakes I can't take back  
These memories that came back  
That I didn't ever think I'd see again  
Yo, my friends not so laid back  
I told them we go way back  
But I didn't know if we called it friends  
Cause you were the one that I needed  
If I call your name would you hear it?

I wish I gave you a better me  
Cause you deserve what I'll never be  
I've come to terms with the fact that I'm a memory  
Cause I'm not the one

I wish I was wrong, wrong  
Cause me being right means it's obvious we don't belong  
I wish I was wrong, wrong  
Why gain the world if you end up just being alone?  
Oh, I wish I was wrong
