

You Decide

GRAHAM

Yeah

I'd like to give all that you desire
New designs, yeah, we could switch up that attire
Name your price, already know that I'ma buy it
I'll buy it, go ahead and try it

I'ma let you decide, you decide tonight, yeah
I'ma let you decide, you decide tonight, night
Girl, what's on your mind? (Yeah)
What you want tonight? (Yeah)
Tell me what you like (Yeah)
What you want tonight? (Yeah)
I'ma let you decide, decide, decide (Yeah)
I'ma let you decide, decide, decide, yeah
Girl, what's on your mind?
What you want tonight?
Tell me what you like
What you want tonight? (Yeah, uh, yeah)

(Hey) Forty-eight flows on the tip-top (Uh)
Suicide doors or the wristwatch (Uh)
If you want a crib, then that's what it is
Still buy clothes at the thrift shop, yeah (Yeah)
I don't really need no team, got wife on the TikTok, yeah
And we gon' make it last, if we play it right (Right)
I've been workin' all night (Night)
I ain't never waste your time (No)
Baby, take your time and tell me, what's your plan tonight?
You know I'll provide (Hey)
Yeah, that's on my life (Hey)
Yeah, that's on my life, yeah, ayy

I'd like to give all that you desire
New designs, yeah, we could switch up that attire
Name your price, already know that I'ma buy it
I'll buy it, go ahead and try it

I'ma let you decide, you decide tonight, yeah
I'ma let you decide, you decide tonight, night
Girl, what's on your mind? (Yeah)
What you want tonight? (Yeah)
Tell me what you like (Yeah)
What you want tonight? (Yeah)
I'ma let you decide, decide, decide (Yeah)
I'ma let you decide, decide, decide, yeah

Baby, I'ma let you decide
Baby, I'ma let you, I'ma let you decide
No, no, no

What if the building was like—

Man, I always bill myself, don't need no stylist, uh
Now my art is worth a lot like Jack Pollock
I stuck with music, not the hoopin' back in college
Stayed independent, dotted line, I never signed it, won't sign it
Yeah, I flex the family, not the wallet
Overnight, it took a couple years to make a profit, a profit
Never make my fans wait, I'm on it
Three years, eighty songs, yeah, I'm droppin' often
Rollin' deep, I ain't never cut off all my old friends
Hard drives full of long nights, I've been workin'
Last year, I had to realign with my purpose
Yeah, I don't deserve this, yeah, I'm not perfect
Yeah, I'll sing, sing, sing, and I'll post, post, post
I'ma make the beat and write it, I do both, both, both
Yeah, I'll sing, sing, sing, and I'll post, post, post
I'ma make the beat and write it, I do both, both, both, yeah
