Gram Parsons

Come on babe, let me take you by the hand  
Come on babe, let me take you by the hand  
Can't you see, you're for me  
All your own candy candy, candy man

Come on babe, I love your honey lovin' ways  
Oh sweet thing, I love your honey lovin', a honey lovin' ways  
You're for me, let me be  
All your own candy candy, candy man

Come on babe, gonna treat you right  
Give you candy kisses, every single night  
Candy candy, candy candy, candy man

Can't you see. you're for me  
All your own, candy candy, candy man  
Candy man, candy man  
Candy man, candy man  
Candy man
