

I Still Miss Someone

Gram Parsons

At my door the leaves are falling
the cold cold wind will come
Sweethearts walk by together
And I still miss someone

Oh, no I never got over those blues eyes
I see them every where
and I miss these arms that held me
When all our love was there

I go out on a wild party
And i look for a little fun
But I find a darkened corner
because I still miss someone

Oh, no I never got over those blues eyes
I see them every where
and I miss these arms that held me
When all our love was there

I wonder if she's sorry
For leavin' what we'd begun
There's someone for me somewhere
And I still miss someone
yes And I still miss someone
