

Double Negative

Grammatics

Let me sing my predilections, oh girl
Herein lies a contradiction
It's heavenly letting go, heavenly letting go
We should do something
We should do something we haven't done for a long
time...

Hey Sugar, what do you say?
Keep your lipstick on it's four in a day
HEY! Keep your lip...stick...
Keep your lipstick on
Keep your lipstick on it's four in a day
Keep your lipstick on it's four in a day

I've no lucid conversation
Now my every thought bears an abstraction
It's heavenly letting go, heavenly letting go
We could do something
We could do something we'd never desired to try...

Hey Sugar, what do you say?
Keep your lipstick on it's four in a day
HEY! You may keep your lip...stick...
Keep your lipstick on
Keep your lipstick on it's four in a day
Keep your lipstick on it's four in a day

I don't recognise you no more
I don't want to be a Londoner

Keep your lipstick on it's four in a day
Keep your lipstick on it's four in a day
Keep your lipstick on...
You may keep your lip... STICK!!!

Keep your lipstick on
Keep your lipstick on it's four in a day
Keep your lipstick on it's four in a day
Keep your lipstick on....
Keep your lip...
Keep your lipstick on it's four in a day

I don't recognise you no more
I don't want to be a Londoner
Maybe you want to be a Londoner?
Maybe you want to be a Londoner?

Keep your lipstick on it's four in a day
Keep your lipstick on it's four in a day
Keep your lipstick on... Keep your lip... STICK!!!
