

# I Come Tumblin'

Grand Funk Railroad

I come tumblin' down, from the darkness I, stretch my arms out  
to, catch the sound, yeah.

I hear grumblin' and, broken heartness is, slowly spreading and  
, going 'round.

Half the people are, never knowing and, never caring and never  
showing, their ...

... love for sisters, as well as brothers. Let's, teach our chi  
ldren to, love each other.

Slowly coming the, thought of losing the world is ever so near.  
Let's start showing and, let's start growing with love there's  
nothing to fear.

Da, da, da-da, da; Da, da, da-da, da; Da, da, da-
