

# Loneliness

## Grand Funk Railroad

Loneliness cries deep from my soul  
Keeps trying to tell me about the world growing so cold  
Too many people trying to take from my earth  
But we can't live without controlling our birth

Deep inside a voice cries out for you  
It's not alone 'cause people, I been cryin' too  
If we don't stop what we all see is wrong  
I guarantee you mankind won't live long

There's a land, a glorious land  
It's right here on earth  
Understand what you can from the land  
Your life is its worth

Woah-oh, woah-oh, woah-oh-oh  
Woah-oh, woah-oh, woah-oh-oh  
Woah-oh, woah-oh, woah-oh-oh

To face the problems that everyone's found  
We must replace what we took out of the ground  
Pray for your brother, let your soul find a way  
Help one another, oh, please listen to what I say

There's a land, a glorious land  
It's right here on earth  
Understand what you can from the land  
Your life is its worth

Woah-oh, woah-oh, woah-oh-oh  
Woah-oh, woah-oh, woah-oh-oh  
Woah-oh, woah-oh, woah-oh-oh

Loneliness  
Oh, I can't get away from loneliness  
Yeah, loneliness  
Loneliness

Yeah, lonely, lone, loneliness  
I just can't get away from lonely, loneliness  
Yeah, yeah

Loneliness  
Can't get away from loneliness

Can't get away from loneliness  
Can't get away from loneliness  
Can't get away from loneliness  
Can't get away from loneliness  
Can't get away from loneliness
