# 50%

**Grandaddy**

Fifty percent less words
I'll be doing it in the dirt
And with nobody in my mix
Fifty percent less words in two-thousand-six

Fifty percent less chime
Mouth moving all the time
Never completed plans
Fifty percent less words, I wonder if I can

Fifty percent less words
Fifty percent less words
Fifty percent less words
Fifty percent less words

Fifty percent less words
I'll be doing it in the dirt
And with nobody in my mix
Fifty percent less words in two-thousand-six

Fifty percent less chime
Mouth moving all the fuckin' time
Never completed plans
Fifty percent less words, I wonder if I can
