

## Blindness

Grandaddy

Send us a blindfold, send us a blade  
Tell the survivors, help is on the way  
I was a blind fool, never complained  
All the survivors singing in the rain  
I was the one with the world at my feet  
Got us a battle, leave it up to me

Find us a trap door, find us a plane  
Tell the survivors help is on the way  
I was a blind fool, I never complained  
All the survivors singing in the rain  
I was the one with the world at my feet  
Got us a battle, leave it up to me

What it is and where it stops, nobody knows  
You gave me a life I never chose  
Wanna leave but the world won't let me go  
I wanna leave but the world won't let me go  
What it is and where it stops, nobody knows  
You gave me a life I never chose  
I wanna leave but the world won't let me go  
Wanna leave but the world won't let me go

What it is and where it stops, nobody knows  
You gave me a life I never chose  
I wanna leave but the world won't let me go  
Wanna leave but the world won't let me go  
What it is and where it stops, nobody knows  
You gave me a life I never chose

I was the one with the world at my feet  
Got us a battle, leave it up to me  
Leave it up to me  
Leave it up to me  
Leave it up to me
