

For The Dishwasher

Grandaddy

Ride your bike all night and give your heart a break
And give your head a shove and fuck that

Subject love, you'll get another chance someday
Ride your bike 'till dawn and keep your lantern on

All alone and no one's won.
Computers in the sun, not one with power on
For the dishwasher who rides home late tonite
It will be alright just get to sleep tonite,
You'll get another chance someday
